

## **In press**

Anderson, C., Scarborough, M., Jocz, L., Kümmel, M. J. [+84 other co-authors], & Heggarty, P. (in press). The Indo-European Cognate Relationships dataset. *Scientific Data*.

Bostoën, K. and Robbeets, M. (in press). "Historical Comparative Linguistics". In: *The Wiley Blackwell Companion to Diachronic Linguistics*

Deng, B. (In press). "Revisiting Starostin's list of Altaic loanwords in Old Chinese". In R. Djamouri, C. Lamarre & J. Lefort (Eds.), *Language Contact in Northern China: Areal, Historical and Synchronic perspectives*, Brill

Heggarty, P., & Powell, A. (in press). "Bayesian phylogenetics for language prehistory". In M. Robbeets & M. Hudson (Eds.), *Oxford Handbook of Archaeology and Language*. Oxford University Press.

Heggarty, P. (in press). "Historical Linguistics by Numbers: Brave New World? Statistical, Computational and Phylogenetic Analysis of Comparative Language Data". In P. Crisma & G. Longobardi (Eds.), *Oxford Handbook of Diachronic and Historical Linguistics*. Oxford University Press.

Heggarty, P., & Beresford-Jones, D. (in prep) "How climate shaped the human past: Impacts in the archaeological and linguistic records in the Andes, a microcosm of the world's ecologies". *Quaternary Environments and Humans, special issue on: From climate change to language change: how climate impacted language dynamics in the Holocene*.

Heggarty, P., & Epps, P. (in press). "Language lessons on the prehistory of South America". In M. Aldenderfer, M. Sepulveda, & E. G. Neves (Eds.), *Handbook of South American Archaeology*. Oxford University Press.

Heggarty, P. (in press). "Prehistory through language and archaeology". In C. Bown & B. Evans (Eds.), *Routledge Handbook of Historical Linguistics* (2nd ed.). Routledge.

Hudson, M. J. (in press) "Globalisation and the historical evolution of Japanese fisheries", in J. Cassidy, I. Ponkratova and B. Fitzhugh (eds.), *Maritime Prehistory of Northeast Asia*. Springer.

Hudson, M. (*in review*). "The global implications of the Bronze Age". *Journal of Archaeological Research*

Hudson, M. J. (in press). "[The Okhotsk culture and the formation of the medieval Ainu diaspora](#)", in G. Crawford et al. (eds.), *The Oxford Handbook of the Archaeology of Korea and Japan*.

Hudson, M., Harland, J. and Crowther, A. (in press). "Archaeology and language dynamics in the medieval and early modern eras". In M. Robbeets and M. Hudson (eds.), *The Oxford Handbook of Archaeology and Language* (Oxford University Press ).

Hudson, M., Bjorn, R.G. and Spengler, R. (in press). "Archaeology and language change in the Bronze Age". In M. Robbeets and M. Hudson (eds.), *The Oxford Handbook of Archaeology and Language* (Oxford University Press).

Hudson, M. J., Uchiyama, J., Kawashima, T., Lindström, K., Reader, I., Kawashima, T. D., Martin, D., Gillam, C., Gilaizeau, L., Bausch, L., Hoover, K. C. (in prep). "Global processes of anthropogenesis characterise the early Anthropocene in the Japanese Islands"

Pearce, A. J., & Heggarty, P. (in prep.). "Potosí: How silver mining rewrote language history in the Andes", to be submitted to *Past & Present*.

Robbeets, M. (in press) "Archaeolinguistics: Combining archaeology, genes and language." In: Robbeets, Martine and Mark Hudson (eds.) *The Oxford Handbook of Archaeology and Language*. Oxford: University Press.

Robbeets, M. (in press). "Historical Morphology of the Transeurasian languages". In: Peter Arkadiev & Franz Rainer (eds.) *The Oxford Handbook of Historical Morphology*. Oxford: University Press.

Robbeets, M. and Hudson, M. (in press). "Language and the Anthropocene". In: Robbeets, Martine and Mark Hudson (eds.) *The Oxford Handbook of Archaeology and Language*. Oxford: University Press.

Robbeets, M., & Heggarty, P. (in prep.). "Language, ecology and climate change: Worldwide perspectives". Quaternary Environments and Humans, special issue on: *From climate change to language change: how climate impacted language dynamics in the Holocene*.

Robbeets, M., & Leipe, C. (in prep.). "Climate change and the spread of the Transeurasian languages". Quaternary Environments and Humans, special issue on: *From climate change to language change: how climate impacted language dynamics in the Holocene*

Robbeets, M. (in press). "The origin and genealogical affiliation of Japanese". In: Kazuko Matsumoto & Heiko Narrog (eds.) *The Oxford Handbook of the Japanese Language*. Oxford: University Press.

Robbeets, M. (in press) "Japanese" In: *International Encyclopedia of Language and Linguistics*, Third Edition. Elsevier.

Robbeets, M. (in press) "Language dynamics and natural environment" In: *International Encyclopedia of Language and Linguistics*, Third Edition. Elsevier. In: Nico Nassenstein and Svenja Völkel (eds.). *International*

*Encyclopedia of Language and Linguistics*, Third Edition. Section 'Anthropological Linguistics/Linguistic Anthropology'. Elsevier.

Robbeets, M. & Hudson, M. (eds.) (in press) *The Oxford Handbook of Archaeology and Language* (Oxford University Press)

Robbeets, M., Hudson, M. and Ning, C. (in press). "Transeurasian archaeolinguistics". In M. Robbeets and M. Hudson (eds.), *The Oxford Handbook of Archaeology and Language* (Oxford University Press, 2025).

Takamiya, H. and Hudson, M. (in press). "The archaeology and historical ecology of the Ryukyu Islands". In S.M. Fitzpatrick & J.M. Erlandson (Eds.) *The Oxford Handbook of Island and Coastal Archaeology*. Oxford University Press.
